

MSP® 5th EDITION VIRTUAL CLASS

SEPTEMBER 18-19-20 (Foundation) 25-26 (Practitioner), 2023

is a widely used international standard for Programme Management which helps Project Managers navigate through the essentials for running a successful programme. It builds on the definitions and structure of PM knowledge and defines a series of processes, components, and techniques that can be applied when managing any size or subject of programme.

What are the Benefits of MSP?

Managing Successful Programmes will give you the skills and knowledge for leadership roles in major change programs. You will be able to tailor MSP to different types of programs and analyze program situations to make appropriate decisions, align multiple projects with strategic requirements and co-ordinate product delivery to ensure real benefits for your organization. MSP enables programs to have:

- ❖ A framework of best practice principles and concepts drawn from latest experiences and proven practice
- ❖ An improved and coherent governance structure
- ❖ The agility to react to change
- ❖ Improved strategic alignment and clarity of direction
- ❖ A foundation for improving organization performance
- ❖ A focus on delivering benefits from effective business change
- ❖ Referenceable standard

Who should attend?

Typical job roles include:

- Program Sponsor, Director or Program Senior
- Program Managers in charge of delivery of a program
- Business Change Managers & PPO staff
- Project Managers

What you will learn?

- Define strategic roadmaps
- Manage uncertainty with confidence
- Manage complex change through programmes
- Deal with conflicting expectations
