

PRINCE2 AGILE® VIRTUAL

NOVEMBER 14-15-16 (Foundation) 23-24 (Practitioner), 2023

represents an evolution of PRINCE2, being the first extension module to the PRINCE2 method. This certification helps you to tailor PRINCE2 for your organization in an agile way. Since the 2001 Agile Manifesto, agile approaches are becoming more popular for many reasons:

- Incremental delivery of products
- Time box and iterative approach to delivering
- A collection of techniques such as daily stand-up meetings, sprints and users' stories
- Collaboration working

PRINCE2 Agile describes how to configure and tune PRINCE2 so that PRINCE2 can be used in the most effective way when combining it with agile behavior, concepts, frameworks and techniques.

What are the Benefits of PRINCE2 Agile?

If you are already using PRINCE2 in your organisation, PRINCE2 Agile is a good way to start introducing agile techniques without, essentially, ripping everything out and starting over.

PRINCE2 Agile:

- ❖ Allows you to focus on both management and delivery
- ❖ Works with any established agile approach
- ❖ Helps you to be on time and hit deadlines more consistently
- ❖ Has a collaboratively built approach that is corporate friendly
- ❖ Increases stakeholder confidence
- ❖ Has tools to manage and react to changing requirements

PRINCE2 AGILE® VIRTUAL

NOVEMBER 14-15-16 (Foundation) 23-24 (Practitioner), 2023

Who should attend?

Typical job roles include:

- Project managers or aspiring project managers
- Project team managers and support staff
- Managers or program managers
- Project management consultants

What you will learn?

- Guidance on how to apply agile behaviors, frameworks, concepts and techniques
- Advice on using agile fundamentals and techniques such as collaborative teams, open communications and stand ups

Prerequisites

You must hold a PRINCE2 certificate. Participants are asked to complete the pre-course reading provided. (2 hours).

Why choose Paradigm?

PARADIGM is a consulting firm and an PEOPLECERT ACO headquartered in Regina, Saskatchewan. PARADIGM has been offering APMG and AXELOS best practice training and consulting services for over a decade in Saskatchewan and Manitoba.

At Paradigm, we are committed to making sure that the term "Best Practices", is more than just a buzzword that gets thrown around. In fact, we have taken Best Practices to a whole new level to improve our skills, and to provide the very best services possible for our customers.

This course conforms to the syllabus set down by AXELOS for those wishing to gain PRINCE2 Agile certification and is delivered by ATO
